Seal the Loop agreement

We like to know that our bins are going to a good home and will be well managed. Please sign below to let us know that you agree with the following:

- My organisation is willing to manage the installation of the bin(s) and put processes in place to ensure they are monitored and emptied accordingly.
- Once in possession of the bin(s) we understand that they are no longer the property nor responsibility of Zoos Victoria (although Zoos Victoria is willing to re-home them should the need arise).
